Yes

A

Nerima City will send you the payment notice

No

B

Nerima City will send you a document to determine your eligibility

About the documents A, B.

A No action is required in most cases

▶ Nerima City starts to send the payment notice from early January.

※If you want to decline to receive the benefit, or change your bank account information, please contact the call center.

Benefit payment will start from late January unless there is any change in the payment notice.

B You need to take an action

▶ Nerima City will send a document to determine your eligibility ("confirmation letter") from late January.

After checking the enclosed document, please send required documents back to Nerima City Office.
※If you want to decline to receive the benefit, you do not need to send the document back.

It takes at least three weeks for the benefit to be paid after Nerima City Office receives your document.

※Please read important notes on the reverse side.

Please beware of “phone scams” and “fraud involving your personal information” by criminals taking advantage of the support benefit (70,000 yen) for price soaring in electricity, gas, food, etc.

Nerima City Office nor National Government will never ask you to make remittance as a condition to receive the support benefit.

If you receive a phone call, letter or email requesting the remittance, please report to the Police Department near you or the Police Dept. consultation center (#9110).
