

Nerima Childrearing Support Handbook

■ This handbook—created for those who will give birth in Nerima City as well as people raising children here—includes essential information, such as various procedures and consultation centers. We hope you take full advantage of this information. Each section indicates a contact window, and those with an identifying "OK" mark accept inquiries in foreign languages (languages available are limited). Please note that other contact windows accept inquiries only in Japanese, so please have someone who can speak Japanese inquire on your behalf if necessary. All information in this handbook is current as of April 1, 2021, unless otherwise specified, and subject to change. For the latest information, please check the Nerima City website or inquire at the section in charge.
